

## Boone Electric Cooperative Approved Contractors

Thank you for your interest in the Home Performance with Energy Star® program. This program can save money on your energy bills, increase your comfort level and help the environment.

Listed below are the Home Performance contractors approved by Boone Electric Cooperative. These contractors are specially trained to make recommendations and improvements to your home so it can be Energy Star rated. Please make sure you get a quote for the fee of the assessment before you schedule an appointment.

Once a Home Performance assessment has been performed, you will be eligible for Boone Electric Cooperative's rebates. For more information, please log on to [www.booneelectric.coop](http://www.booneelectric.coop) or call Chris Rohlfing or Gary Jennings at Boone Electric Cooperative at (573) 449-4181.
